Specifications:
1200mm x 650mm high
Supplied in boxes of 10
3 Thatch Tiles cover approx 1sq metre

Installation:
Tiles can simply be nailed or stapled to a standard roof baton. A minimum roof pitch of 30 degrees is recommended and tiles should have an overlap of 350mm. Once installed tiles are 90% water tight, require no maintenance and have a lifespan of 10 to 15 years. Tiles can also be fire retarded at an extra cost.

Can be used for:
- Shelters
- Canopies
- Entrances
- Children’s Play Area’s
- Garden Sheds
- Gateways
- Gazebo’s
- Smoking Shelters
- Garden Structures
- Outside Living Area’s
- Tree Houses
- Summer Houses
- Indoor Bars
- Exhibition Stands

1200 x 650 x 20mm - £7.90 per tile plus VAT and Delivery
